**A New Collection of Laugh-Out-Loud Poems  
From *New York Times* Bestselling Humorist Andrew Shaffer**

Tired of Instagram poems about whiskey and self-love? *Not Today, Satan (Maybe Tomorrow)* is the hilarious antidote you didn't know you needed, complete with crap drawings that make Rupī Kaur's look like they belong in the Louvre.

From poignant odes to snack cakes ("The Last Temptation of Little Debbie") to tough love for friends ("You are Not a Mermaid"), Shaffer's biting satire will have you questioning why you ever wasted time reading lesser verse jockeys.

*Not Today, Satan (Maybe Tomorrow)* is available to read now on NetGalley. It will be released in trade paperback and ebook September 5, 2023, distributed through Ingram.
